Student Evaluations

Each spring we evaluate our gymnasts to acknowledge their progression and to ensure proper placement for summer and 2013 fall classes. Student evaluations will take place over the next two weeks. If you have any questions or concerns please contact your child's instructor or you may speak with someone at the front desk. Evaluations will be available to parents the first week in June.

Please note that the difference in tuition charges on a certain day versus another is the total number of classes that will be attended during the months of May and June (there is a holiday in May).

Recital Order Information

Thank you for your recital leotards and t-shirt orders. We are expecting the orders to arrive toward the end of May. We will post their arrival on the front doors. If you have any questions please let us know! If you missed the order deadline, we do order a few extra as a courtesy that you may purchase.

Recital Days and Time

Spring recital is the week of June 10-15. It is a great chance for parents, family and friends to come watch all of the exciting skills their child has learned at Branch Gymnastics. You may take photos and videos of this special event to keep forever. Please watch for upcoming handouts with specific dates and times your child will be performing.
